

Amazing Grace

Traditional

1ST VERSE - SOLOIST

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind but now I see

2nd VERSE - CHOIR

Was grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

3RD VERSE – SOLOIST & CHOIR

Through many dangers, toils, and snares
We have already come
Was grace that brought us safe thus far
And grace will lead us home,
And grace will lead us home

4TH VERSE – SOLOIST & CHOIR

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind but now I see,

Brothers in Arms

Dire Straits
By Mark Knopfler

1ST VERSE - SOLOIST

These mist covered mountains are a home now for me,
But my home is the low lands and it always will be.
Some-day you'll return to your valleys and your farms,
And you'll no longer burn to be brothers in arms.

2ND VERSE - SOLOIST

Through these fields of destruction, baptisms of fire.
I've witnessed your suffering now as the battle raged higher.
And though you did hurt me so bad in the fear and alarm,
You did not desert me my brothers in arms.
My brothers in arms.
My brothers in arms.

There's so many different worlds so many different suns,
And we have just one world but we live in different ones.

3RD VERSE CHOIR & SOLOIST

Now the suns gone to hell now but the moon's riding high,
Let me bid you farewell now 'cause ev'ry thing has to die.
But it's written in the starlight and ev'ry line on your palm,
We're fools to make war on our brothers in arms.
We're fools to make war on our brothers in arms.
On our brothers in arms.

Hall of Fame

The Script

By William Adams, Anthony Sheehan, John O Donoghue, James Barry

FEEL FREE TO BOB ALL THE WAY THROUGH

You can be the greatest, you can be the best,
You can be the King Kong banging on your chest.
You could change the world, do away with war.
You could talk the talk, knock on every door
You can throw your hands up, you can beat the clock.
You can move a mountain, you can break rocks.
You could be a master, don't wait for luck.
Dedicate yourself and you can find yourself

Standing in the hall of fame
And the world's gonna know your name,
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the hall of fame.

You can go the distance, you can run the mile.
You can walk straight through life with a smile,
You could be a hero, you could get the gold
Breaking all the records they thought never could be broke.

Do it for your people, do it for your pride.
How you gonna know if you never even try?
Do it for your country, do it for your name,
'Cause there's gonna be a day when you're

Standing in the hall of fame
And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the hall of fame.

Be a champion. Be a champion. Be a champion. Be a champion.
Be students, be teachers, be politicians, be preachers,
Be believers, be leaders, be astronauts, be champions, be truth-seekers,
Be students, be teachers, be politicians, be preachers,
Be believers, be leaders, be astronauts, be champions.

Standing in the hall of fame
And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the hall of fame.

Be a champion x 8

I'm A Believer

From Shrek the Musical

By Neil Diamond

FEEL FREE TO BOB ALL THE WAY THROUGH

I thought love was only true in fairy tales,
Meant for someone else, but not for me.
Love was out to get me,
That's the way it seemed,
Disappointment haunted all my dreams.

And then I saw her face, now I'm a believer.
Not a trace, of doubt in my mind.
I'm in love, I'm a believer
I couldn't leave her if I tried.

I thought love was more or less a givin' thing
The more I gave, the less I got, oh yeah
What's the use in tryin'
All you get is pain,
When I wanted sunshine, I got rain.

And then I saw her face, now I'm a believer.
Not a trace, of doubt in my mind.
I'm in love, I'm a believer,
I couldn't leave her if I tried.

And then I saw her face, now I'm a believer.
Not a trace, of doubt in my mind.
I'm in love, I'm a believer,
I couldn't leave her if I tried.

I believe x 9
I.... believe... x 2
I believe x 9
I...believe x 2
I... be...live... x 9

I got a feeling, ooh-hoo that tonight's gonna be a good night,
That tonight's gonna be a good night,

Easy come easy go now we on top.

That tonight's gonna be a good, good night.

Wellerman

There once was a ship that put to sea
And the name of the ship was the Billy of Tea,
The winds blew up, her bow dipped down,
Blow, my bully boys blow. (Huh!)
She'd not been two weeks from shore
When down on her a right whale bore,
The captain called all hands and swore
He'd take that whale in tow.

Soon may the Weller man come
To bring us sugar and tea and rum,
One day when the tonguin' is done
We'll take our leave and go.

Take our leave and go.

Soon may the Weller man come
To bring us sugar and tea and rum,
One day, when the tonguin' is done
We'll take our leave and go.

Live Your Story

Auli'i Cravalho

By Tina Parol / Jason Mater

You defy the impossible,
Got a heart unstoppable,
You are more than ready, yeah.

Not just a fighter,
Not just a dreamer,
Amazing creator,
Relentless believer
In who I am and what I got inside.

Dream, see, write, live your story.
Every day keeps unfolding, unfolding.

Make it your own,
The power is all yours.
Dream, see, write, live your story.
Dream big and live your story.

So many roads for you to pave.
Let them all go your way.
You are more than ready, yeah.
Look in the mirror,
Can't get much clearer,
Beautiful treasure,
One of a kind on Earth,
Setting free what I got here inside.

Dream, see, write, live your story.
Every day it keeps unfolding, unfolding.

Make it your own
The power is all yours.
Dream, see, write, live your story, story.
Dream big and live your story.

You are unique.
Set your fire free.
You got the what the world needs
And it's time you see
That there's only one, oh, oh.

Dream, see, write, live your story.
Every day it keeps unfolding, unfolding.

Make it your own,
The power is all yours.
Dream, see, write, live your story.
Dream big and live your story. Yeah!

Moments We Live For

In Paradise

By Jess Cates, Jordan Mohilowski, Ethan Hulse

FEEL FREE TO BOB ALL THE WAY THROUGH

I've seen this perfect picture in my head
And after drivin' all night now here it is,
I can finally feel the sun kissing my skin
And I just wanna take it in,
I just wanna take it in.
Breathing in and out,
This is what it's all about.

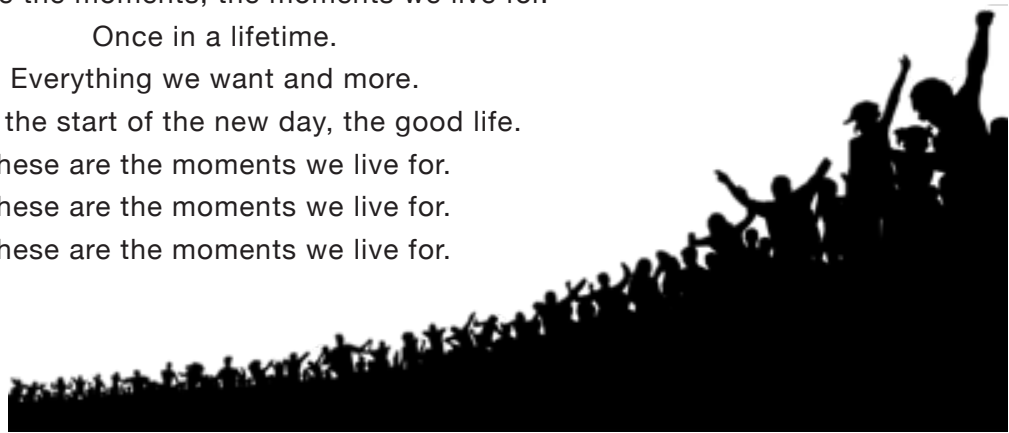

These are the moments, the moments we live for,
Once in a lifetime,
Everything we want and more.
This is the start of the new day, the good life.
These are the moments we live for.

We'll be the place where the ocean meets the sky.
We're gonna have the time of our lives.
Feel that these memories are our own hall of fame,
'Cause we just wanna take it in, yeah, we just wanna take it in

These are the moments, the moments we live for.
Once in a lifetime,
Everything we want and more.
This is the start of the new day, the good life.
These are the moments we live for.
These are the moments we live for.
These are the moments we live for.

Breathing in and out,
This is what it's all about.
Breathing in and out,
This is what it's all about.

These are the moments, the moments we live for.
Once in a lifetime.
Everything we want and more.
This is the start of the new day, the good life.
These are the moments we live for.
These are the moments we live for.
These are the moments we live for.

FEEL FREE TO BOB ALL THE WAY THROUGH

Anyone For You

Tiger Lily moved to the city, she just turned twenty-one,
And I said "Here's my number, hit me up, and we can have some fun.
And if you're flying over the Serengeti, Tiger Lily don't for-get me,
The way I am not the way I was.
And then I could be anyone, anyone, anyone, anyone,
Anyone, for you,
Anyone, anyone, anyone, anyone, anyone.

I can love you, I could be,
A good friend good company
And in the darkness of the night, I will be your guiding light.

X4

Levitating

If ya wanna run away with me, I know a galaxy
And I can take you for a flight,
I had a premonition that we fell into a rhythm
Where the music don't stop, that's right,
Glitter in the sky, glitter in my eyes,
Shining just the way I like.
If you're feelin' like you need a little bit of company
You met me at the perfect time.

Let's fly 'round, the solar system, the galaxy, I'm levitating.
The Milky Way, we're levitating.
yeah, yeah, yeah, yeah, yeah.
I got you, moonlight, you're my starlight,
I got you, alright, come on dance with me, I'm levitating.
You, moonlight, you're my starlight,
I got you, alright, come on dance with me,
I got you, moonlight, you're my starlight,
I got you, alright, come on dance with me, I'm I levitating.
You, moonlight, you're my starlight,
I got you, alright, come on dance with me, I'm levitating.

As It Was

Holding me back, gravity's holding me back,
I want you to hold out the palm of your hand,
Why don't we leave it at that?
Nothing to say, when ev'rything gets in the way,
It seems you cannot be replaced,
And I'm the one who will stay.

Oh, In this world, it's just us, you know it's not the same as it was.
In this world, it's just us, you know it's not the same as it was.

As it was, as it was,
You know it's not the same as it was.
As it was, as it was.

Symphony

Curtains open, scared to get up on the stage,
Second guessing, no way that I could have played.
I was fearing blank stares and empty chairs.
Then you found me and pushed me into the light,
All around me the crowd was coming alive,
I got lost in your bright technicolour dream.

So I'm never gonna waste my life on anything else,
Now I'm awake, alive, you've broken the spell.
Your heart sings to me, a melody that sets me free,
This life is like a symphony.
oh, oh, oh oh, oh, oh, oh oh, oh, oh, oh, oh, oh, oh
What a way to set me free, this life is like a symphony.

Had no rhythm, two syncopated left feet,
Now I'm dancing, my heart is driving the beat.
Listen close and I won't ever drift off key.
The highest of highs and the lowest of lows,
You make me sing out and hit all the notes.
And with you around me it's just so easy to sing my song.

So I'm never gonna waste my life on on anything else,
Now I'm awake, wake, alive, you've broken the spell.
Your heart sings to me, a melody that sets me free,

So I'm never gonna waste my life on on anything else,
Now I'm awake, alive, you've broken the spell.
Your heart sings to me, a melody that sets me free,

This life is like a symphony.

oh, oh oh, oh, oh, oh oh, oh, oh, oh oh,

This life is like a symphony.

oh, oh oh, oh, oh, oh oh oh,

What a way to set me free,

This life is like a symphony.

You're The Voice

By John Farnham

(SOLOIST) We have the chance, to turn the pages over
We can write what we want to write
We gotta make ends meet, before we get much older
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

(CHOIR) You're the voice, try and understand it
Make a noise and make it clear
Oh-woh oh, Oh-woh oh,
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh Oh-woh oh.

(SOLOIST) This time, we know we can stand together
With the power to be powerful
Believing, we can make it better
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

(CHOIR) You're the voice, try and understand it
Make a noise and make it clear
Oh-woh oh Oh-woh oh.
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh, Oh-woh oh.

(SOLOIST) We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

(CHOIR) You're the voice, try and understand it
Make a noise and make it clear
Oh-woh oh Oh-woh oh
We're not gonna sit in silence
We're not gonna live with fear
Oh-woh oh Oh-woh oh

Repeat Chorus as directed by Conductor.
